**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer tired of being taken advantage of, by companies like AT&T & Comcast, who offer mediocre service at outrageous prices. Sonic has been fantastic, both in price and service and has been crucial in my DJ business. Speed in uploading and downloading music files saves me hours of time every week, compared to my previous account with AT&T. Please dont cripple competition or raise rates...fast internet service should be a right for everyone!
